AS/A-Level Subject List and Courses at Lesley University Lesley course descriptions can be found by searching the Undergraduate Academic Catalog: http://lesley.smartcatalogiq.com/en/current/Undergraduate-Academic-Catalog/Undergraduate-Catalog First exams with most recent revision Lesley Equivalency Subject Name Accounting - 9706 The Cambridge International AS and A Level CMGMT 2455 (3 cr, AS) Accounting syllabus enables learners to apply their accounting knowledge and understanding in order to analyse and present information, give reasoned explanations, and make judgements and recommendations. The syllabus covers topics such as the recording of financial information, accounting principles and control systems, and the preparation of final accounts for a variety of different organisations and businesses. Learners find out about raising capital by shares and loans, ratio analysis and cost accounting, and also study the preparation of cash flow statements, cash flow analysis, and standard costing and investment CMGMT 2455 (3 cr) & CMGMT 2457 (3cr) (A Level) Afrikaans - 9679 (A Level Only) The Cambridge International A Level Afrikaans 6 cr Humanities or LA Elec GenEd syllabus enables learners to achieve greater fluency, accuracy and confidence in the language as it is spoken and written, and improve their communication They learn how to improve their use of Afrikaans in a variety of situations, understanding how to read texts and other source materials, extract information. nitiate conversations and respond to questions both Afrikaans - First Language (AS Level only) - 8779 The Cambridge International AS Level First Language 3 cr Humanities or LA Elec GenEd Afrikaans syllabus enables learners to achieve greater fluency, accuracy and confidence in the language as it is spoken and written, and improve their communication skills. They learn how to improve their use of Afrikaans in a variety of situations, understanding how to read texts and other source materials, and how to extract information, initiate conversations and respond to The Cambridge International AS Level Afrikaans Afrikaans - Language (AS Level only) - 8679 3 cr Humanities or LA Elec GenEd syllabus enables learners to achieve greater fluency, accuracy and confidence in the language as it is spoken and written, and improve their communication They learn how to improve their use of Afrikaans in a variety of situations, understanding how to read texts and other source materials, and how to extract information, initiate conversations and respond to Applied Information and Communication Technology - 9713 Learners following this syllabus will develop, and learn 3 cr Free Elective (AS Level) to apply, a broad range of ICT skills, while also gaining an understanding of the way ICT is used in the world of work. The syllabus introduces learners to the structure and use of ICT systems within a wide range of organisations, including the use of a variety of computer networks. As a result, learners understand ICT system life cycles, and how these affect the workplace. They also gain an understanding of the wider impact of ICT on society in general. 6 cr Free Elective (A Level) Arabic - 9680 (A Level only) Cambridge International A Level Arabic builds on the 6 cr Humanities or LA Elec GenEd language skills gained at Cambridge IGCSE, Cambridge O Level or Cambridge International AS Level, and is the ideal foundation for university level study, or to improve career prospects. Learners will gain an understanding of how to use the language in a variety of situations. They will be expected to handle texts and other source materials, extracting information in order to respond to specific tasks. Through their studies, learners can expect to achieve greater fluency, accuracy and confidence in the language. They will also learn how to translate

Arabic - Language (AS Level only) - 8680	The Cambridge International AS Level Arabic syllabus enables learners to achieve greater fluency, accuracy and confidence in the written language, and improve their communication skills. They learn how to improve their use of Arabic in a variety of situations, understanding how to read texts and other source materials, and how to extract	3 cr Humanities or LA Elec GenEd
	to farmer attended and an experience of the second terms of the constitution of	
Art and Design - 9704	The Cambridge International A Level Art and Design syllabus considers expression and communication. Learners gain an understanding of visual perception and aesthetic experience, and the ways in which art and design creates a language of its own. Most of the work for this syllabus is practical or studio based, so that learners can develop their abilities of observation and analysis of the visual world, sensitivity, skill, personal expression and imagination. They also learn how to relate their skills to an	3 cr Fine Arts or LA Elec GenEd (AS Level)
	enhanced knowledge of their own cultures, past and	
	present, as well as an appreciation of practical design	3 cr Fine Arts & 3 cr LA Elec GenEd (A Level)
Biology - 9700	Cambridge International AS and A Level Biology builds on the skills acquired at Cambridge IGCSE (or equivalent) level. The syllabus includes the main theoretical concepts which are fundamental to the subject, a section on some current applications of biology, and a strong emphasis on advanced practical skills. Practical skills are assessed in a timetabled practical examination.	CBIOL 1101 (4cr, AS Level)
	The emphasis throughout is on the understanding of concepts and the application of biology ideas in novel contexts as well as on the acquisition of knowledge. The course encourages creative thinking and problem	
	solving skills which are transferable to any future career path. Cambridge International AS and A Level Biology is ideal for learners who want to study biology or a wide variety of related subjects at university or to	
	follow a career in science. Please note that the	
	Scheme of Assessment has changed since 2005	CBIOL 1101 (4cr) & CBIOL 2101 (4 cr) (A Level)
Business (for first examination in 2016) - 9609	he Business syllabus enables learners to understand and appreciate the nature and scope of business, and the role it plays in society. The syllabus covers economic, environmental, ethical, governmental,	CMGMT 1451 (3 cr, AS level)
	legal, social and technological issues, and encourages a critical understanding of organisations, the markets they serve and the process of adding value. Learners examine the management of	
	organisations and, in particular, the process of	
	decision-making in a dynamic external environment.	
	From the 2016 examination series, this syllabus will	
	replace Cambridge International AS and A Level	OMONT 4454 (Ost) 8.0 or Error Florities (A Lovel)
Business Studies (for final examination in 2015) - 9707	Business Studies (9707). No Syllabus	CMGMT 1451 (3cr) & 3 cr Free Elective (A Level) CMGMT 1451 (3 cr, AS level)
Dadinoso Gladies (for final examination in 2015) - 9707	i to Oynabas	CMGMT 1451 (3 cr) & 3 cr Free Elective (A Level)
Chemistry - 9701	Cambridge International AS and A Level Chemistry builds on the skills acquired at Cambridge IGCSE (or equivalent) level. The syllabus includes the main theoretical concepts which are fundamental to the subject, a section on some current applications of chemistry, and a strong emphasis on advanced practical skills. Practical skills are assessed in a	CPHYS 1308 (4 cr, AS Level)
	timetabled practical examination. The emphasis throughout is on the understanding of concepts and the application of chemistry ideas in novel contexts as well as on the acquisition of knowledge. The course encourages creative thinking and problem-solving skills which are transferable to	
	any future career path. Cambridge International AS and A Level Chemistry is ideal for learners who want to study chemistry or a wide variety of related subjects at university or to follow a career in science.	
	Please note that the Scheme of Assessment has	CPHYS 1308 (4cr) & CPHYS 2102 (4 cr, A Level)

Design and Textiles - 9631		
Design and Textiles 5001	A practical syllabus, the course examines the	3 cr Fine Arts GenEd (AS Level)
	scientific, creative and artistic aspects of design and	
	textiles, with plenty of opportunities for learners to	
	apply what they have learnt by demonstrating their	
	investigative, creative, and practical skills. Through	
	the study of fibres and fabrics, learners find out about	
	basic design, contemporary fashion, clothing	
	manufacture and the use of commercial patterns to	
	make a variety of garments.	
	Learners go on to explore textile applications and	
	technology, looking at issues such as fitness for	
	purpose, creative techniques, the application of	
	colour, and environmental impact. They also study	
	the making and finishing of textile products, the care	
		O or Fine Arts ConFd 9 O or I A Fine ConFd (A Level)
	of clothing, and the use and care of a sewing	3 cr Fine Arts GenEd & 3 cr LA Elec GenEd (A Level)
Divinity - 9011	The Divinity syllabus covers three core areas. In the	3 cr Humanities GenEd (AS Level)
	first, The Prophets of the Old Testament, learners	
	gain an understanding of the way the prophets	
	maintained the religious faith of Ancient Israel, while	
	also studying a significant part of the Jewish and	
	Christian Bibles.	
	Learners consider pre-canonical prophets, pre-exilic	
	prophets, and study and comment on specific	
	passages. They also study The Four Gospels, in	
	order to gain a scholarly understanding of the life and	
	teaching of Jesus.	
	Finally, in studying The Apostolic Age, learners	
	develop an understanding of the history and	
	development of the early Christian Church, as well as	
	studying the authorship, composition and purpose of	
	the Acts and Epistles detailed in the syllabus.	6 cr Humanities or LA Elec GenEd (A Level)

Global Perspectives (AS Level only) Final AS Level 2015 -	Cambridge International AS Level Global	3 cr Social Sciences or LA Elec GenEd
	Perspectives prepares learners for positive	
	engagement with our rapidly changing world.	
	Learners broaden their outlook through the critical	
	analysis of - and reflection on - issues of global	
	significance.	
	The Cambridge International AS Level Global	
	Perspectives syllabus is based on skills rather than on	
	specific content. Learners develop research, thinking,	
	reasoning and communication skills by following an	
	approach to analysing and evaluating arguments and	
	perspectives called the Critical Path.	
	The skills gained through study of Cambridge	
	International AS Level Global Perspectives enable	
	students to meet the demands of twenty first century	
8987	learning and make a successful transition to study in	0 0 110 1 1451 0 514401 0
Global Perspectives and Research - 9239	Cambridge International AS & A Level Global	3 cr Social Sciences or LA Elec GenEd (AS Level)
	Perspectives and Research prepares learners for	
	positive engagement with our rapidly changing world.	
	Learners broaden their outlook through the critical	
	analysis of - and reflection on - issues of global	
	significance. The Cambridge International AS & A	
	Level Global Perspectives and Research syllabus is	
	based on skills rather than on specific content.	
	Learners develop research, thinking, reasoning and	
	communication skills by following an approach to	
	analysing and evaluating arguments and perspectives	
	called the Critical Path. Collaborative skills are	
	enhanced through participation in a team project. The	
	skills gained through study of Cambridge International	
	AS & A Level Global Perspectives and Research	
	enable students to meet the demands of twenty-first	
	century learning and to make a successful transition	
	to study in higher education.	
	From the June 2016 examination series, this syllabus	
	will replace Cambridge International AS Level Global	
	Perspectives (8987).	3 cr Social Siences & 3 cr LA Elec GenEd (A Level)
Hindi - Language (AS Level only) - 8687	The Cambridge International AS Level Hindi syllabus	3 cr Humanities GenEd
	enables learners to achieve greater fluency, accuracy	
	and confidence in the written language, and improve	
	their communication skills.	
	They will learn how to improve their use of Hindi in a	
	variety of situations, understanding how to read texts	
	and other source materials, and how to extract	
Hindi Litanatura (AO Lavallanto) 0075	Information and account to account and a second to account to a	0 11
Hindi - Literature (AS Level only) - 8675	Learners following the Cambridge International AS	3 cr Humanities GenEd
	Level Hindi syllabus will study a series of examples	
	from Hindi literature. The aim is to better understand	
	these texts, and the issues raised by the authors, and	
	to develop the skills to communicate this	
	understanding in a clear and focused way.	
	Learners will study a variety of texts, including novels,	
	poems and plays, looking both at the way the authors	
	have conveyed their ideas, and discussing the wider	
Hindi (A Level only) - 9687	Cambridge International A Level Hindi builds on the	6 cr Humanities or LA Elec GenEd
	language skills gained at Cambridge IGCSE,	
	Cambridge O Level or Cambridge International AS	
	Level, and is the ideal foundation for university-level	
	study, or to improve career prospects.	
	Learners gain an understanding of how to use the	
	language in a variety of situations. They will be	
	expected to handle texts and other source materials,	
	extracting information in order to respond to specific	
	tasks. Through their studies, learners can expect to	
	achieve greater fluency, accuracy and confidence in	
	the language. They will also learn how to translate	

Hinduism - 9014	The Hinduism syllabus enables learners to gain an	3 cr Humanities GenEd (AS Level)
	understanding of the religious writings, history and	
	current affairs of Hinduism. Learners are expected to	
	think and argue intelligently about the subject.	
	The syllabus is broad, and ranges from the Vedic	
	Age, through the Epic Age and Medieval Age to the	
	Modern Age. As well as learning about sacred texts,	
	philosophical ideas and spiritual/religious beliefs,	
	learners develop knowledge about Jainism and	6 cr Humanities or LA Elec GenEd (A Level)
Hinduism (AS level only) - 8058	The Hinduism syllabus enables learners to gain an	3 cr Humanities or LA Elec GenEd
Initiduisti (AS level offly) - 6056		3 CF Humanities of LA Elec Geneu
	understanding of the religious writings, history and	
	current affairs of Hinduism. Learners are expected to	
	think and argue intelligently about the subject.	
	The syllabus is broad, and ranges from the Vedic	
	Age, through the Epic Age and Medieval Age to the	
	Modern Age. Learners develop knowledge about	
	sacred texts, philosophical ideas and	
History - 9389	Cambridge International AS and A Level History is a	3 cr Humanities GenEd (AS Level)
ŕ	flexible and wide-ranging syllabus covering modern	
	history in the nineteenth and twentieth centuries. The	
	syllabus builds upon skills gained at Cambridge	
	IGCSE or Cambridge O Level and develops lifelong	
	skills including understanding issues and themes	
	within a historical period.	
	The emphasis is again on both historical knowledge	
	and on the skills required for historical research.	
	Learners develop an understanding of cause and	
	effect, continuity and change, similarity and	
	difference, and use historical evidence as part of their	
	studies. At AS learners can select from topics on	
	European, American or International history.	
	At A Level learners can select from topics on	
	European, American, African, Southeast Asian and	
	International history. Teachers choose which periods	
	to focus on, allowing them to build a course that	
	reflects their learners' interests and staff specialisms,	
	or which is relevant to the local or regional context.	
	From the 2015 examination series, this syllabus will	6 cr Humanities or LA Elec GenEd (A Level)
Information Technology - 9626 New	This syllabus encourages learners to become	3 cr Free Elective (AS Level)
	effective and discerning users of IT. It helps them to	
	develop a broad range of IT skills, knowledge and	
	understanding. Learners study the structure and use	
	of IT systems within a wide range of organisations,	
	including the use of a variety of computer networks.	
	As a result, learners gain an understanding of IT	
	system life cycles, and how these affect the	
	workplace. They also learn about the wider impact of	
	IT on society in general. At A Level, learners also	
	study simple programming for the web relevant to	6 or Fron Floating (A Lovel)
Islamic Studies - 9013	The Islamic Studies syllabus enables learners to gain	6 cr Free Elective (A Level)
Islamic Gludes - 3013	a better understanding of the religious writings,	John Humaniues of LA Elec Geneu (AS Level)
	history and current affairs of Islam. As a result, they	
	are able to think and argue intelligently about the	
	subject.	
	The syllabus is broad, and ranges from the	
	beginnings of Islam and the evolution, content and	
	role of the Holy Qur'an, to the beliefs and practices of	
	Islam and the bases of Islamic Law. Learners develop	
	knowledge about the dynasties and religious thought	
	of early Islam, the variety in Islamic beliefs and the	
	role played by Islam in the world today.	6cr Humanities or LA Elec GenEd (A level)

The last examination for this subject will be November 2016. Cambridge International AS and A Level Marine Science provides a coherent and stimulatin introduction to the science of the marine environment. The AS part of the course concentrates on the scientific study of the sea and its ecosystems, while the A Level part concentrates on human activities that depend on the sea and have an impact on it. No prior study at Cambridge IGCSE or Cambridge O Level is assumed. The emphasis throughout is on the understanding of concepts and the application of ideas to new contexts as well as on the acquisition of knowledge, and the course encourages creative thinking and problem- solving skills which are transferable to any future career path. It is expected that practical activities will underpin the teaching of the whole course, and	3cr Science GenEd (AS)

	theoretical, covering anatomy and physiology,	
	movement skills and contemporary studies in sport.	
	Learners are encouraged to try out a range of	
	physical activities, including team and individual	
	sports, games, and outdoor activities, and then use	
	the theoretical knowledge they have gained to	
	analyse the different factors influencing performance.	
	_ ·	
	The course also encourages learners to understand	
	and explain global trends in Physical Education and	
	Sport. This syllabus replaces Cambridge International	
	AS Level Physical Education (8666) which was	
	examined for the last time in November 2009.	
Physical Science - 8780	The Cambridge International AS Level Physical	3 cr Science GenEd
	Science syllabus builds on the skills acquired at	
	Cambridge IGCSE (or equivalent) level. The syllabus	
	includes the main theoretical concepts which are	
	fundamental to the subject, current applications of	
	physical science, and a strong emphasis on advanced	
	practical skills. Practical skills are assessed in a	
	timetabled practical examination.	
	The emphasis throughout is on the understanding of	
	concepts and the application of physical science ideas	
	in novel contexts as well as on the acquisition of	
	knowledge. The course encourages creative thinking	
	and problem-solving skills which are transferable to	
	any future career path.	
	Cambridge International AS Level Physical Science is	
	ideal for learners who want to study physical science	
	or a wide variety of related subjects at university, or to	
	follow a career in science. Withdrawal of Cambridge
