This Agreement is entered into as of the dates indicated below, with an effective date of December 7, 2022, by and between Lesley University (hereinafter referred to as the “Employer” or “University”), and Service Employees International Union, CtW Local 509 (hereinafter referred to as the “Union”).

PREAMBLE

The Union and the University value and respect the role of the Adjunct Faculty covered by this Agreement as important contributors to a learning community. Our relationship is characterized by a spirit of professionalism, collegiality, and cooperation toward a common objective of providing an exceptional educational experience for the University’s students and to attract and retain quality students and employees.

The parties are committed to promoting an awareness, understanding, and respect of diverse interests, opinions, and experiences, and recognize the value such diversity has in providing a high-quality education to every student. A culture that encourages collaboration and respect is vital to a positive work environment conducive to the success of the University’s students and those who provide for their education. This is in keeping with the University’s stated mission "to prepare socially responsible graduates with the knowledge, skills, understanding, and ethical judgment to be catalysts in shaping a more just, humane, and sustainable world."

A NOTE ON GENDER INCLUSIVITY

As institutions fully committed to gender inclusivity, the University and the Union have agreed to use gender-neutral language throughout this Agreement.

ARTICLE 1

RECOGNITION AND BARGAINING UNIT DESCRIPTION

1.1 Pursuant to the Certification of Representative, issued by the National Labor Relations Board in Case No. 01-RC-118179, the University hereby recognizes the Union as the sole and exclusive collective bargaining representative of all adjunct faculty employed by the Employer in the United States instructing in credit-bearing classes, labs, or lessons in all programs (whether degree-granting or not). Such instruction may occur through any delivery method/modality (including teaching credit-bearing on-line classes, labs or lessons).

1.2 Exclusions. Excluded are all other faculty. Also excluded are all other employees, whether or not they have teaching responsibilities, including

- A. deans,
- B. provosts,
- C. administrative employees,
- D. professional and non-professional employees,
- E. artists in residence,

- F. maintenance,
- G. confidential employees,
- H. graduate assistants,
- I. teaching fellows,
- J. department or program chairs,
- K. full-time coaches, and
- L. guards and supervisors as defined in the National Labor Relations Act.

ARTICLE 2

MANAGEMENT AND ACADEMIC RIGHTS

2.1 Management of the University is vested exclusively in the University. Except as set forth in this Agreement, this includes but is not limited to the following rights:

A. The right to establish, direct, and control its programs, services, organizational structure, and operations in all particulars and to take such action as is necessary to maintain the mission, efficiency, and effectiveness of the University operations;

B. The right to decide who is taught, what is taught, how it is taught, when it is taught, and who does the teaching;

C. The right to direct, supervise, and train employees; to appoint, assign, schedule, transfer, evaluate, promote, and retain employees in positions; to determine qualifications, hiring criteria and standards of work; to establish standards of productivity and performance; and to suspend, demote, discharge, or take other disciplinary actions against an employee;

D. The right to lay off employees due to lack of work, budgetary reasons, or organizational changes;

E. The right to determine the means, methods, budgetary and financial procedures, and personnel by which the University's programs, services, and operations are to be conducted;

F. The right to take whatever actions as may be necessary to carry out the mission of the University in situations of emergency, the determination of such situations to be the prerogative of the University, provided that the University shall subsequently and in timely fashion negotiate the effects of such action on the terms and conditions of employment of members of the bargaining unit. For the purposes of this section "emergency" is defined as any condition or situation out of the ordinary which requires immediate action to avoid danger to life, property, or to prevent losses affecting the University, its employee(s), student(s), or the general public.

G. The right to privatize or contract out programs, services, and operations as deemed appropriate to maintain a well-coordinated and efficient system of the University.

2.2 The above enumeration of management and academic rights is not exhaustive and does not exclude other management or academic rights not specified above. The exercise of any management or academic right or function in a particular manner shall not preclude the University from exercising the same in any other manner which does not violate this Agreement. The University's failure to exercise any right or function reserved to it shall not be deemed a waiver of its right to exercise same.

ARTICLE 3

EQUAL EMPLOYMENT OPPORTUNITY & NON-DISCRIMINATION

3.1 Statement of Values. Discrimination has no place at the University and offends the University's core values, which include a commitment to equal opportunity and inclusion. The University and the Union hereby affirm a mutual commitment to a community that is truly integrated, diverse, and inclusive. For the avoidance of doubt, this section 3.1 is a statement of values and is not subject to Article 8 (Grievance and Arbitration).

3.2 Policy. Neither the University nor the Union shall discriminate on the basis of race, color, religion, sex, ethnicity, national origin or ancestry, age, physical or mental disability, sexual orientation, gender identity, gender expression, genetic information, veteran or military status, membership in Uniformed Services, and all other categories protected by applicable state and federal laws (including union activity).

With one exception, violations of Section 3.2 will not be subject to Article 8. Claims of discrimination will be handled in accordance with the procedures provided for all University employees, specifically the University's Discrimination and Harassment Complaint Resolution Procedure or successor procedure. Notwithstanding the foregoing, claims of discrimination on the basis of union activity will be handled in accordance with Article 8.

ARTICLE 4

UNION SECURITY AND CHECK OFF

4.1 It shall be a condition of employment that all Adjuncts

A. who are members of the Union in good standing as of the effective or execution date of this Agreement, whichever is later, shall remain members in good standing, and

B. those who are not members in good standing as of the effective or execution date of this Agreement, whichever is later, shall, on or after the thirtieth (30th) calendar day following the later of the effective or execution date,

(1) become and remain members in good standing of the Union, or

(2) in lieu of union membership, pay an agency fee, as determined by the Union. The Union agrees to comply with all Massachusetts and Federal law regarding the implementation and notice requirements of agency fees.

4.2 It also shall be a condition of employment that all Adjuncts who are hired on or after its effective or execution date of this Agreement, whichever is later, shall, on or after the thirtieth (30th) workday following the beginning of such employment either

- A. become and remain members in good standing of the Union or
- B. pay an agency fee as determined by the Union.

4.3 The Union may request that an Adjunct who fails to join the Union, maintain Union membership, or pay an agency fee shall be dismissed.

- A. If the Union makes such a request, the Employer shall comply.
- B. Prior to any dismissal, the Adjunct shall be offered an opportunity within twenty (20) calendar days, following the written notification from the Union to the Employer requesting discharge, to pay the required dues and/or agency fees that have not been tendered.

4.4 Payment of Union dues and/or fees may be made via the check-off procedure provided by this Article. It is agreed that the University shall assume no financial or other obligation arising out of the provisions of this Article except as specifically provided in this Article.

4.5 The Union hereby agrees that it shall indemnify, defend, and hold the University harmless from any claims, actions, or proceedings by an Adjunct arising from deductions made by the University hereunder or from the enforcement of this Article.

4.6 The University further agrees to deduct voluntary contributions made by an Adjunct to the SEIU Committee on Political Education (COPE) and to remit said contributions to the COPE at the same time Union dues and agency fees are remitted. Said contributions are strictly voluntary and can be in any amount as determined by the Adjunct.

4.7 Each payday, the University shall deduct from an Adjunct's wages a sum of dues and/or fees owed the Union and authorized under the National Labor Relations Act, provided the Adjunct has furnished the University a written or electronic assignment executed in accordance with the law. The Union will provide to the University a suitable form or link for the authorization of this payroll deduction. The University will include that form in the initial employment packets of new Adjuncts.

4.8 Authorization. The Union shall be ultimately responsible for obtaining executed written assignments for such payroll deductions from existing Adjuncts. However, the University shall cooperate with the Union in seeking compliance with this provision by notifying covered Adjuncts at their time of hire of the existence of this Agreement and by providing them with Union membership and pay deduction materials supplied by the Union.

A. Materials voluntarily completed by the Adjunct and returned to the University shall be promptly remitted to the Union.

B. Deduction Remission. On or about the 15th of the month following the deductions, monies so deducted by the University shall be transmitted by mail or electronically to the Union Treasurer or other Union designee. Such deductions shall continue until either the Adjunct is not on the payroll of the University or instruction to cease payroll deductions is given in writing by the Adjunct to the University Office of Human Resources and to the Union.

4.9 The University shall send to the Union via email (to dues@seiu509.org) the following information for each Adjunct, whether or not a deduction is made, at the same time as the University remits all Union deductions for the preceding month:

- A. Job classification;
- B. Department;
- C. Rate of pay and earnings that the dues or agency fee deduction is based on;
- D. Month the deduction is based on;
- E. Name;
- F. Union assessments listed separately; and,
- G. If applicable, a reason Union dues are not deducted.

ARTICLE 5

UNION RIGHTS

5.1 The identified representatives of the Union shall have reasonable access to the University's facilities for the transaction of necessary Union business relating to this Agreement so long as normal business and classroom activities are not disrupted or attempted to be disrupted.

5.2 The Union shall have access to meeting space (including using an individual adjunct faculty member's University-provided virtual meeting space, such as Zoom) on campus subject to the same procedures as other campus organizations.

5.3 Management shall recognize Adjuncts designated by the Union as bargaining unit representatives to address grievances, process disciplinary appeals, for meetings with a grievant or with management, and to attend to other matters related to the administration of this Agreement when authorized by the Union to do so.

5.4 Workplace leaders (stewards) and/or Union representatives shall be given fifteen (15) minutes on the agenda of Adjunct orientation meetings in order to present information about the Union and Union membership.

ARTICLE 6

ACADEMIC FREEDOM AND ADJUNCT FACULTY RIGHTS & RESPONSIBILITIES

6.1 Adjuncts enjoy the same rights and obligations of academic freedom as do all faculty at the University, as provided in the University's Academic Freedom Statement, which may be found at www.lesley.edu/policies and as it may be amended from time to time.

6.2 The Union acknowledges that, like other University employees, Adjuncts are subject to all University policies, as set forth in employee handbooks, faculty handbooks, handbooks or catalogues available for each department, division, program, or school, or on the University website. Such policies may be amended from time to time at the discretion of the University. The parties recognize that if such policies are in conflict with or superseded by this Agreement, the terms of this Agreement shall apply. By way of example, Adjuncts will follow

- A. the University's policy on plagiarism,
- B. the Community Standards of Conduct,
- C. the Discrimination, Harassment, and Sexual Violence Policy, and
- D. other rules and regulations governing students and Adjuncts' work and conduct expectations.

6.3 If there is a standard course syllabus or syllabus requirement, an Adjunct who is teaching the course for the first time at the University shall receive from the Supervisor a copy of the standard course syllabus or syllabus requirement to be used in the course. The syllabus or syllabus requirement shall be provided, at the time the teaching assignment is made or as soon thereafter as is practicable. If the Adjunct believes that the standard course syllabus should be modified, the Adjunct must discuss such proposed changes with the appropriate Supervisor, and the changes are subject to the Supervisor's approval.

6.4 If there is no standard course syllabus, the Adjunct shall provide a new syllabus as soon as practicable to the appropriate Supervisor. The Adjunct's use of the syllabus for the course is subject to the Supervisor's approval.

6.5 To the extent a department has particular written expectations on course syllabi, teaching and grading responsibilities, student assignments or other expectations, such written expectations will be made available to the Adjunct at the time the course is assigned or as soon thereafter as practicable.

6.6 Adjunct teaching shall be guided by course descriptions and syllabi, requirements of each teaching modality, and adherence to academic and professional standards. Adjuncts are responsible for the maintenance of good order and the observance of University policies in the classroom. Adjuncts shall meet classes on time, hold classes for the full period except in the event of an emergency or as an approved practice by the Adjunct's Supervisor, and evaluate academic and clinical performance fairly and reasonably. Adjuncts shall submit grades and student evaluations and shall provide feedback to student work and responses to student communication, all on a timely basis. Adjuncts should discuss questions or concerns about teaching expectations

and related topics with their Supervisor. Before an Adjunct teaches a course for the first time at the University, the Adjunct's Supervisor shall arrange for a meeting, which need not be in person, to discuss teaching expectations and related topics with the Adjunct.

6.7 Adjuncts shall report promptly to their Supervisor matters that may require academic or non-academic disciplinary action against students under applicable University policies. Adjuncts shall participate or cooperate, as appropriate, in any resulting investigation.

6.8 The University sends important information by email to Adjuncts' University email addresses. All Adjuncts must check their University email accounts on a regular basis and must use their University email accounts for purposes of conducting University business, including all communication with students.

ARTICLE 7

- C. Reason for cancellation.

ARTICLE 8

GRIEVANCE AND ARBITRATION

8.1 This is the sole and exclusive procedure for the resolution of grievances under this Agreement.

A. Informal Resolutions. Wherever possible, informal resolutions to disputes are encouraged. When pursuing the formal grievance process, the grievance must be reduced to writing and must specify the nature of the grievance, the provision(s) of this Agreement at issue, and the relief requested.

B. Precedent. In the event an individual Adjunct and the University settle a dispute without the written and express agreement of the Union, that settlement will not create a precedent for either party in the interpretation or application of this Agreement.

8.2 Formal Grievance Process. The following steps shall be followed in the processing of grievances:

A. Step 1. The Adjunct shall file the grievance with the Adjunct's Department Chair or Program Director within thirty (30) calendar days of its occurrence or discovery. If the grievance is not resolved satisfactorily within fourteen (14) calendar days thereafter, the grievance may proceed to Step 2.

B. Step 2. If the grievance is not resolved at Step 1, the Adjunct may request that the Union appeal the grievance to Step 2. If the Union deems the grievance to be meritorious, it may file the Step 2 grievance with the Adjunct's Dean or the Dean's designee within fourteen (14) calendar days of receipt of the Step 1 response, or within seven (7) calendar days of the deadline for the Step 1 response, if none was received. If the grievance is filed within the time limits, the Dean or the Dean's designee shall conduct a meeting within fourteen (14) days of receipt of the grievance for the purpose of attempting to resolve the grievance. If the grievance is not resolved at this meeting, the Dean or the Dean's designee shall respond to the Union in writing within fourteen (14) calendar days of the meeting. If the Dean or the Dean's designee fails to respond within fourteen (14) calendar days of the meeting, the grievance may proceed to Step 3.

C. Step 3.

(1) A grievance not resolved at Step 2 may be appealed in writing by the Union to the University's Provost or the Provost's designee within seven (7) calendar days of the conclusion of Step 2. A meeting for the purpose of attempting to resolve the grievance shall be held at this Step within fourteen (14) days of receipt of the grievance. If the grievance is not resolved at this meeting, the Provost or the Provost's designee shall respond to the Union in writing within fourteen (14) calendar days of the meeting.

- (2) Direct Filing. A grievance may be initiated at Step 3 if
 - (a) The grievance is filed by the Union on behalf of two (2) or more Adjuncts,
 - (b) The grievance involves the discharge of an Adjunct,
 - (c) The grievance is filed against a Dean, or if
 - (d) The parties mutually agree in writing to do so.

D. Arbitration. A grievance not resolved at Step 3 may be appealed to arbitration by the Union by giving written notice to the University within twenty-one (21) calendar days of the Step 3 response (or within twenty-one (21) calendar days of the date the Step 3 response was due, if none is received).

- (1) Selection. The Union and the University shall endeavor to mutually agree to the selection of a single arbitrator. If the Union and the University are unable to reach an agreement on the selection of an arbitrator, the parties shall use the selection procedures of the Labor Relations Connection. The decision of the arbitrator shall be final and binding on the parties.
- (2) Cost. The fees and expenses of the arbitrator, and the cost of any hearing transcript, shall be borne equally by the Union and the University.
- (3) Attendance and Substitutes. If an Adjunct must miss a class because the Adjunct is required to attend an arbitration hearing, there will be no loss of compensation from the University for that Adjunct. The Adjunct shall be responsible for either
 - (a) creating an assignment that meets the pedagogical needs of the students without requiring their attendance in class, subject to the approval of the Supervisor,
 - (b) scheduling a make-up class, or
 - (c) arranging, sufficiently in advance of the scheduled class, for a suitable replacement to teach the class who is acceptable to the Department Chair or Program Director. The University shall not be required to incur any expense as a result of a replacement faculty, unless the Arbitrator finds in favor of the Adjunct or the Union. Such replacement approval shall not be unreasonably denied.

8.3 Time Limits. All time limits herein shall exclude the winter break period and other holidays or days (such as weather-related closings) when the University is closed, and may be extended by mutual agreement expressed in writing.

ARTICLE 9

ACCESS TO SERVICES, DEPARTMENTAL SUPPORT

9.1 Supplies. All Adjuncts will be provided the necessary (as determined by the Supervisor and consistent with the Department, Division, Program, or University practice and available resources) supplies, materials, technologies, and other resources before the beginning of the course. These materials, technologies and other resources necessary for teaching the course will be consistent with, but not necessarily identical to, those provided other faculty in the Department, Division, or Program. By way of example, the University will provide access to computers, but will not provide a computer to each Adjunct.

9.2 Logistics. Adjuncts will be oriented into the logistical procedures in their departments and Lesley University that are reasonably necessary to do their jobs, including, but not limited to, online and information technologies and resources, preparing materials for class, how to place book orders, submitting grades, and so forth.

9.3 Policies. Any departmental Mission Statements and/or faculty handbooks, guidelines, or procedures shall be made available in writing (in paper copy, electronically by email, or on the University's website) to the Adjunct before the beginning of the Adjunct's first course, and annually thereafter with updates as available.

9.4 Prior Course Information. The department shall make available to Adjuncts, when possible, pertinent information about the course, subject to the agreement of faculty members who previously taught the same course, including study materials from previous years, previous syllabi, and so forth.

9.5 Reimbursement. If the supplies, materials, and/or software needed to teach a course as set forth in Section 9.1 are unavailable at the University, the Adjunct shall obtain prior written authorization from the Supervisor before incurring any out-of-pocket expense. Such requests will be considered and permitted in a manner consistent with, but not necessarily identical to, other faculty in the Department, Division, or Program. If the Adjunct is authorized in advance by the University to purchase supplies, materials, and/or software for a course, the Adjunct will be reimbursed in accordance with the University's reimbursement policy, upon submission of a receipt or other required documentation of the expense.

9.6 Field Trips and Guest Speakers. All proposed course-related field trips, or any compensation or stipend for a guest speaker, must be approved in writing in advance by the relevant Supervisor, and, if approved, Adjuncts must abide by applicable guidelines and policies relating to such. Related expenses, if approved, are subject to the provisions of Sections 9.1 and 9.5.

9.7 Printing and Copying. Subject to the provisions of Section 9.1, Adjuncts shall have access to printing and photocopying support for courses. This support will be available through

A. The University's photocopying center,

B. College or School photocopiers and printers (subject to department or program approval and use of proper budget code that will be provided to the Adjunct), and

C. Printer, reasonable amounts of paper, and ink and/or toner for the printer in the communal Adjunct office provided by the University. Adjuncts will use electronic and digital resources for their courses as much as possible, to reduce the use of paper.

9.8 Online and Technology Services. Adjuncts shall have access to

A. a University email address,

B. free University Wi-Fi access on campus,

C. the Office of Information Technology for computer, internet, and audio-visual equipment support necessary for courses or other work the Adjunct is performing for the University, and

D. an online profile on the Lesley University website. This profile shall be offered, and shall be approved, provided

(1) the Adjunct submits the necessary text and

(2) the Supervisor approves of the text.

9.9 Room Reservation and Use. Adjuncts shall have access to the spaces dedicated to Adjunct Faculty in University Hall and shall have access to other appropriate space (including classrooms) subject to the University's room reservation system to prepare for class and meet with and advise students.

9.10 Libraries. Adjuncts shall have equal access as core faculty to the University's library services, including research databases and online services.

9.11 Orientation, Training, and Professional Development.

A. Adjuncts are encouraged to participate in University or School-wide orientation and training offered by the University related to employment at the University. The University shall make available training and/or guidance in teaching methods, grading criteria, and curriculum implementation. As a requirement of the position:

(1) Newly hired Adjuncts are required to participate in at least one orientation session before the start of their first semester;

(2) Adjuncts may be required to participate in periodic training on University procedures and policies, curriculum matters, and other topics; and

(3) Adjuncts may be required to participate in required professional development sessions or tutorials about pedagogical issues or University expectations.

B. Cost of Attendance for Conferences or Institutes. If an Adjunct attends a University-sponsored conference or institute, any registration fees shall be waived in the same manner that fees are waived for core faculty.

C. Scheduling. Required orientation, training, and professional development sessions will be offered in the evenings and/or virtually for those unable to attend such activities during weekdays.

1. The University shall offer at least three (3) group orientation sessions for newly hired adjunct faculty each semester. At least two (2) of these sessions shall be held virtually.

2. Newly hired Adjuncts who, despite their best efforts, cannot attend group orientation sessions are required to attend an individual orientation session, which may be held virtually at the request of either the University or the Adjunct.

D. Compensation. Adjuncts may be required to attend up to two (2) hours total of orientation, training, and professional development sessions each semester without receiving additional compensation for this time.

1. This limit increases to three (3) hours for a newly hired Adjunct who attends an individual orientation session, rather than a group session.

2. Compensation rates for Adjuncts required to attend orientation, training, or professional development sessions that exceed the limits established in this Article are set forth in Article 15.

9.12 Retention of Services. For Adjuncts who are not teaching in a semester, but who started a teaching assignment within the prior twenty-four (24) month period, access to the services described in Sections 9.8-9.10 will be retained while the Adjuncts are not teaching.

ARTICLE 10

APPOINTMENTS AND ASSIGNMENT OF COURSES

10.1 Eligibility for Two (2)-Year or Three (3)-Year Appointments (“Multi-Year Appointments”). Adjuncts shall be eligible to apply for a Multi-Year Appointment subject to the following conditions.

A. Eligibility Criteria.

(1) Two (2)-Year Appointments. To be eligible, Adjuncts shall either be consistently employed by the University

(a) for at least four (4) consecutive calendar years while teaching at least three (3) units per calendar year (hereafter referred to as "Type A"), or

(b) for at least seven (7) consecutive calendar years while teaching at least two (2) units per calendar year (hereafter referred to as "Type B").

(2) Three (3)-Year Appointments. To be eligible, Adjuncts shall either be consistently employed by the University

(a) and have completed at least three (3) consecutive two (2)-year appointment cycles while teaching at least three (3) units per calendar year (hereafter referred to as "Type A"), or

(b) for at least twelve (12) consecutive calendar years while teaching at least two (2) units per calendar year (hereafter referred to as "Type B").

B. For purposes of determining eligibility for a Multi-Year appointment in the MFA Creative Writing program, a "unit" in Section 10.1(A) above means a student assigned to an Adjunct for a low-residency semester.

C. Qualifying Courses. All courses, excluding individual field placement and practicum supervision assignments and excluding independent studies, are eligible. This includes courses taught pursuant to a "temporary faculty" appointment.

D. Maintaining Eligibility. In order to maintain eligibility for a Multi-Year Appointment, Multi-Year Appointees must teach at least two (2) units per year for Type A or at least one (1) unit per year for Type B, except

(1) In cases of leaves approved in advance by the Dean, including FMLA leave, sick leave, parenting leave or leave taken to pursue scholarship or creative work, and provided they have no more than one (1) such approved leave that does not exceed one (1) calendar year. Not teaching during the summer shall not be considered a leave for the purposes of this Section; and

(2) In cases where cancellation or reassignment of the units they were offered and accepted, through no fault of the Adjunct, causes them to teach fewer units than required to maintain eligibility.

E. For purposes of maintaining eligibility for a multi-year appointment in the MFA Creative Writing program, a "unit" in this section means a student assigned to an Adjunct for a low-residency semester.

F. Application. An Adjunct who wishes to apply for a Multi-Year Appointment shall follow the process outlined below. Awarding a Multi-Year Appointment requires approval of the Provost. Multi-Year Appointment process:

(1) November 9 - Notification sent by University to eligible adjunct faculty and the Union with appropriate links to request a Comprehensive Review (Article 11.2) and the Multi-Year Appointment application.

(2) November 30 - Adjunct faculty requests for a Comprehensive Review due to Supervisor.

(3) March 1 - Multi-Year Appointment Applications due to Supervisor from adjunct faculty member.

- (4) March 22 - Supervisor's recommendation due to their Dean.
- (5) May 3 - Notification sent to eligible Adjunct Faculty with decision via Dynamic Form or any other forms used by the administration.
- (6) June 20 - Multi-Year Appointment Letters and benefits information sent to Adjunct faculty member.
- (7) July 1 - Multi-Year Appointments begin.

G. Multiple Eligibility. An Adjunct who is eligible for both a Type A and a Type B Multi-Year Appointment may choose which appointment to apply for when requesting a Comprehensive Review.

10.2 Course Guarantees. Subject to Section 10.3(c), Adjuncts on Multi-Year Appointments shall be offered a minimum number of units depending on their Type (A/B) during each year of the Multi-Year Appointment period. Nothing in this Agreement shall prohibit the University from offering an Adjunct more courses than the minimum guaranteed in this Section.

A. Type A. Adjuncts shall be guaranteed an offer of at least three (3) units in each year of the Multi-Year Appointment period. The Multi-Year Appointee and the University (through the Dean) may, by mutual agreement, agree to an offer of units distributed differently throughout the Multi-Year Appointment period.

B. Type B. Adjuncts shall be guaranteed an offer of at least one (1) unit in each year of the Multi-Year Appointment period. The Multi-Year Appointee and the University (through the Dean) may, by mutual agreement, agree to an offer of units distributed differently throughout the Multi-Year Appointment period.

C. MFA Creative Writing Program. For purposes of determining course offerings for a Multi-Year Appointment in the MFA Creative Writing program, a "unit" in this section means a student assigned to an Adjunct for a low-residency semester; provided, however, that while the University will endeavor to offer such number of students to Adjuncts on Multi-Year Appointments, such offers will take into account student preference and are subject to faculty availability.

D. Cancellation of Courses. A course offered to an Adjunct on a Multi-Year Appointment may be cancelled, bringing that Multi-Year Appointee below the number of courses set forth in Sections 10.2 (A) and (B). In such a case, if another course is not offered to the Adjunct, the University will consider assigning other possible courses that the Adjunct is qualified to teach before assigning such other possible courses to a newly hired adjunct. If no alternate course(s) is offered, the University shall pay the Adjunct 20% of the course fee if the cancellation occurs within three (3) weeks of the start of the semester or within two (2) weeks of the start of the term. Alternatively, the Program/Division Director or Department Chair may invite the Adjunct to work on another project, by mutual agreement, in order to receive the full semester's or term's pay. Such alternate arrangements may also pay more than a full semester's or term's pay, depending on the nature of the project.

10.3 Considerations.

A. Decisions regarding (re)appointing Adjuncts to Multi-Year Appointments and offering courses to Adjuncts who have taught for at least four (4) semesters or terms shall be subject to the following considerations (not listed in preferential or particular order):

- (1) The Adjunct's qualifications, including the Adjunct's role in designing the course;
- (2) The Adjunct's length of service at the University;
- (3) The Adjunct's special skills or expertise to contribute to the breadth of offerings at the University;
- (4) The Adjunct's positive contributions to the University's, School's, Department's, Division's, or Program's needs, planning, and activities;
- (5) The Adjunct's teaching performance and evaluations
- (6) The Adjunct's disciplinary record;
- (7) Serious financial considerations that warrant reduction in teaching staff;
- (8) Elimination or downsizing of a School, Department, Division, or Program;
- (9) Reduction in the number of courses or sections offered;
- (10) Other general curriculum and/or course modifications or needs; and
- (11) The hiring of a core faculty member or professional staff member or the reassignment of course work to current core faculty members or professional staff members that has the effect of reducing the need for an Adjunct's services.

B. Decisions based on Sections 10.3(A)(1-6) may not be made in an arbitrary and capricious manner. Decisions based on Sections 10.3(A)(7-11) are at the University's sole discretion and are not subject to the grievance procedure set forth in Article 8.

C. The considerations in Section 10.3(A) shall not be used to deny an Adjunct on a Multi-Year Appointment the full number of units guaranteed by Section 10.2, except for those in Sections 10.3(A)(5-11).

D. If the University offers courses to a Multi-Year Appointee but the Multi-Year Appointee does not agree to teach one (1) or more of the courses, the University is not obligated to offer substitute course(s) to the Multi-Year Appointee.

10.4 University Discretion for New Employees. All Adjuncts who do not have Multi-Year Appointments or who have not taught for the University for at least four (4) semesters or terms may be given or not given appointments and course assignments at the sole discretion of the University; such decisions are not subject to the grievance procedure set forth in Article 8.

10.5 Maximum Appointment. An Adjunct may be assigned to teach more than five (5) units in a calendar year with the prior written approval of the relevant Dean. Any Adjunct who has taught at least five (5) units in each of the prior two (2) calendar years may be assigned to teach up to five (5) courses without prior written approval of the Dean.

10.6 Course Assignments.

A. Adjunct Preference. Adjuncts may submit to the School, Department, Division, or Program (as appropriate) what courses they would like to teach and may also indicate to their Supervisor their availability to do so as to days of the week and times of the day.

B. Tentative Assignments. The University may discuss tentative assignments with Adjuncts as soon as courses for the fall, spring, or summer are decided upon.

C. Time Limits. The University shall normally offer course assignments in writing to the Adjunct at least two (2) months before the start of a semester, one (1) month before the start of a term, and one (1) month before the start of a practicum supervision.

(1) Reasons for course assignments to be offered outside these normal notification periods include (but are not limited to) changes in assigned Adjunct or core faculty availability or unexpected demand due to enrollment increase.

(2) In any event, course assignments must be offered no later than two (2) weeks before the start of each semester and no later than one (1) week before the start of each term.

(3) Nothing in this Article shall preclude Adjuncts from being offered additional courses within two (2) weeks or one (1) week of the start of each semester or term due to exceptional or unforeseen circumstances.

D. Response Requirement. Adjuncts offered a course assignment for a semester or term shall notify the University of their acceptance of the assignment(s) within seven (7) days of receiving notice of the assignment offer.

10.7 Priority Consideration. In making appointments and assigning courses, the University shall first consider student needs, the operational and pedagogical needs of the University, and the availability of core faculty, prior to appointing Adjuncts or assigning courses or other work to Adjuncts. In addition, the provisions of this Article are subject to the provisions on cancelled courses set forth in Article 15.5.

ARTICLE 11

EVALUATIONS

11.1 Student Evaluations. Every Adjunct shall be evaluated by students in each class each semester/term, using University-approved course evaluation processes and forms. Departments, Divisions, and Programs may use different course evaluation forms. Following the end of each semester/term, the Supervisor or designee will review the course evaluations and shall provide timely feedback to

A. Adjuncts teaching a course for the University for the first time, and

- B. Adjuncts teaching their first or second course for the University;
- C. For all other Adjuncts, the Supervisor shall provide timely feedback if there is evidence of unsatisfactory teaching performance.

11.2 Comprehensive Review. An Adjunct applying for a Multi-Year Appointment pursuant to Article 10 shall request a Comprehensive Review in the year before the Adjunct is eligible for such appointment. The Supervisor has overall responsibility for such Comprehensive Review, and the Comprehensive Review is subject to the review and approval of the Dean. This review will include, but is not limited to, the following:

- A. Performance Survey.
 - (1) Review of all student evaluations (or aggregated summaries or ratings), syllabi, and applicable course materials.
 - (2) Observation of teaching.
 - (a) In order to assess teaching effectiveness, the Supervisor or designee will visit the classes of, or view content and communications in online courses, for any Adjunct under review (together, the "classroom observation").
 - (b) The date and time of the classroom observation shall be decided in advance by mutual agreement between the Supervisor or designee and the Adjunct.
 - (c) The Supervisor or designee shall write a summary of the classroom visit and provide a copy to the Adjunct (and the Supervisor, if the designee conducted the classroom observation). The Supervisor shall meet in person or by phone with the Adjunct in order to review the observations.
 - (d) The Adjunct may request an additional classroom observation by a different member of the core faculty, and such request shall not be unreasonably denied.
 - (e) The Adjunct is free to add the Adjunct's own comments about the observation summary.
 - (f) The Supervisor's summary, as well as any comments by the Adjunct, and all elements of the Adjunct's application, shall become part of the Adjunct's personnel file.
- B. The Adjunct will submit a written self-appraisal.
- C. The Supervisor may also take into consideration any student commendations and complaints, both written and oral, about an Adjunct's performance.
- D. The Supervisor shall write an assessment of the Adjunct's performance addressing any of the relevant criteria for awarding a Multi-Year Appointment. The Supervisor's assessment will refer to the Adjunct's performance in relation to course and department/division expectations and best teaching practices. A copy shall be made

available to the Adjunct; another copy shall be sent to the Dean responsible for approving the Adjunct's application for a Multi-Year Appointment.

E. Comprehensive Review materials shall become part of the Adjunct's personnel file.

11.3 Frequency of Reviews.

A. Review of Course Evaluations. The Supervisor or designee will review student course evaluations with all Adjuncts as set forth in Section 11.1.

B. Classroom Observations. The Supervisor or designee may, in the Supervisor's discretion, conduct a classroom observation, as per the provisions of Section 11.2(A)(2), without needing to wait for a Comprehensive Review.

C. Adjuncts on Multi-Year Appointments. Adjuncts on Multi-Year Appointments will not be reviewed annually but will undergo a Comprehensive Review to receive each Multi-Year Appointment.

D. Adjuncts on Term or Semester Appointments. Adjuncts on term or semester appointments may undergo Comprehensive Reviews at the reasonable discretion of the Adjunct's Supervisor.

11.4 New Adjuncts. It is the expectation of the University that all new Adjuncts will be evaluated during their first year of teaching. This evaluation may not necessarily be a Comprehensive Review, but may include a classroom observation as per the provisions of Section 11.2(A)(3). Such Adjuncts may submit a written self-evaluation as per Section 11.2(B).

11.5 All evaluations shall be in conformity with department, College/School, and University standards, practices and criteria. Colleges/Schools will meet with Adjuncts to describe each College's/School's criteria for evaluations conducted under the above terms.

ARTICLE 12

TITLES

12.1 Titles.

A. The title of Adjunct Professor or Adjunct Clinical Professor will be assigned to all Adjuncts when hired.

B. The title of Lecturer will be assigned to Adjuncts at Step B.

C. The title of Senior Lecturer will be assigned to Adjuncts at Step C and beyond.

D. The University may assign a newly hired Adjunct the title of Lecturer or Senior Lecturer at its discretion, without affecting the Adjunct's step level assignment.

ARTICLE 13

DISCIPLINE AND DISCHARGE

13.1 Discipline may include written warnings, unpaid suspensions, or discharge. An Adjunct will not be disciplined or discharged without just cause.

13.2 It is understood that the University, in addition to issuing disciplinary action, may also include with such discipline reasonable remedial measures, when appropriate, with which the Adjunct must comply.

13.3 Discipline for purposes of this Article shall not include performance reviews and shall not include non-reappointment for teaching or other work in any subsequent semester.

13.4 At the discretion of the University, an Adjunct may be placed on paid administrative leave to permit the University to investigate potential or alleged misconduct that may result in discipline. Being placed on paid administrative leave is not itself a disciplinary action.

13.5 An Adjunct may request that a Union representative be present at any investigatory meeting that the Adjunct reasonably believes may lead to discipline and/or at a meeting where discipline is to be administered. Such requests shall not be unreasonably denied.

ARTICLE 14

OPPORTUNITIES TO FILL CORE FACULTY POSITIONS

14.1 The University shall notify Adjuncts of open core faculty positions by email to the Adjunct's Lesley University email address at the time the opening is announced. The University, in its reasonable discretion, shall have the right to determine the qualifications for the core faculty position and determine whether an applicant meets the qualifications for the position.

14.2 Adjuncts may apply for an open core faculty position and will be given the same good faith consideration as other candidates, provided they meet the minimum qualifications of the position. Adjuncts who apply for open core faculty positions and clearly identify themselves as adjunct faculty will be invited to be interviewed in the first round of interviews for the position if qualified (as determined by the search committee). An Adjunct who is not offered a core faculty position they applied for will be given a letter explaining why the Adjunct was not offered the position. The provisions of this Section 14.2, including the determination of qualification, the hiring decision, and the letter, are not subject to the grievance and arbitration provisions of Article 8 of this Agreement. Notwithstanding the foregoing, if the University does not provide such a letter to the Adjunct, the union may grieve the fact that such a letter was not provided.

ARTICLE 15

COMPENSATION

15.1 Step Structure. All Adjuncts shall be assigned to a step based on the criteria defined in this Section.

A. The following steps shall be in effect, based on the number of units an Adjunct has taught at Lesley. In order to progress from one step to the next, an Adjunct must have completed teaching eight (8) units at the previous step. If an Adjunct is teaching multiple courses in a semester, one of which would surpass the threshold for the next step, the Adjunct will progress to the next step in the following semester.

| Step | A | B | C | D | E | F |
|---|--------------|-------------------------------|--------------------------------|--------------------------------|--------------------------------|-------------|
| Units Previously Taught (Completed) at Lesley | Fewer than 8 | At least 8, but fewer than 16 | At least 16, but fewer than 24 | At least 24, but fewer than 32 | At least 32, but fewer than 40 | At least 40 |

B. Off-Step Adjuncts. Effective January 1, 2019:

- (1) Previously grandfathered Adjuncts teaching studio art courses who were previously compensated at Step 4 of Table B in the 2015 CBA (referred to as “Current Studio Art Adjuncts” in the 2015 CBA) will be placed at the special step rate set forth on Appendix A for teaching studio art courses.
- (2) Previously grandfathered Adjuncts teaching non-studio courses who were previously compensated under Table F of the 2015 CBA (referred to as Current Faculty Emerita/us” in the 2015 CBA) will be placed at the special step rate set forth on Appendix A for teaching non-studio courses.

Notwithstanding the foregoing, Adjuncts in the “Special Step” category will be paid at the Step F rate when the Step F rate is greater than the Special Step rate.

C. Faculty Emeriti and Former Core Faculty. Effective January 1, 2019, faculty emeriti (other than those noted in section 15.1(B)(2)) and former core faculty teaching units as Adjuncts will be placed at either step E or step F, based on the number of units they have taught as a core faculty member and an Adjunct.

15.2 Compensation Rates.

A. A detailed table of compensation rates is included in this Agreement as Appendix A.

B. Pro Rata. Generally, the compensation rates in this Section are based on a one (1)-unit course. Except as set forth in Section 15.3, Adjuncts teaching courses constituting less or more than one (1) unit shall be paid on a pro rata basis.

C. The Dean of the College or School, or the Dean's designee, may decide to offer a course regardless of the enrollment, in which case the Adjunct shall receive full payment for the course.

D. Annual Adjustments. The rates on Appendix A shall increase each year of this Agreement on January 1, as follows:

(1) 2023.

- (a) Steps A-F and MFA Visual Arts and Creative Writing: 3%
- (b) Special Step: 1.75%

(2) 2024.

- (a) Steps A-F and MFA Visual Arts and Creative Writing: 2.5%
- (b) Special Step: 1.5%

(3) 2025.

- (a) Steps A-F and MFA Visual Arts and Creative Writing: 2.5%
- (b) Special Step: 1.5%

Notwithstanding the foregoing, Adjuncts in the “Special Step” category will be paid at the Step F rate when the Step F rate is greater than the Special Step rate.

15.3 Credit Conversions and Exclusions. For purposes of determining step level and compensation, the following conversions and exclusions shall apply:

A. The following assignments will be considered as one (1)-unit courses:

- (1) GSASS clinical supervision seminar courses,
- (2) CLAS and LA+D undergraduate internship and field experience supervision courses, and
- (3) GSOE practicum and supervision courses.

B. Notwithstanding Section 15.3(A)(2), CLAS seminar supervision courses in the education division will be considered as a two-thirds (2/3) of a unit (.67 units).

C. Individual field placement, individual practicum supervision assignments, and independent studies will not be included for purposes of determining step level.

D. CLAS four (4)-credit science labs will be considered as one and one-half (1.5) units.

15.4 Grant Rates. Notwithstanding the other provisions of this Article, Adjuncts who teach courses or perform other work pursuant to government-funded grants that exist as of the date of execution of this Agreement will be compensated at the rates contemplated in connection with those grants.

15.5 Cancellation Fee.

A. If an Adjunct has a course canceled by the University within three (3) weeks of the start of the semester or within two (2) weeks of the start of the term, the Adjunct member shall receive a course cancellation payment of fifteen percent (15%) of the fee that would have been earned for the semester or term.

B. Alternatively, the Program/Division Director or Department Chair may invite the Adjunct to work on another project, by mutual agreement, in order to receive the full semester's or term's pay. Such alternate arrangements may also pay more than a full semester's or term's pay, depending on the nature of the project. If a student withdraws from the MFA Creative Writing program after the start of residency, the University will inform the affected Adjunct(s) and the union, and will make best efforts to find an alternative assignment for the Adjunct(s). If no alternative assignment can be arranged, the university will engage in effects bargaining with the Adjunct(s) and the union on an individualized basis.

15.6 Required Orientation, Training, and Professional Development Rates. Adjuncts who are required to attend orientations, training, or professional development, as per Article 9.11, shall be compensated for their time

1. In excess of two (2) hours per semester, except as noted in Article 9.11 with respect to new Adjuncts who, despite their best efforts, cannot attend a group orientation session.

2. In excess of three (3) hours per semester for new Adjuncts who attend an individual orientation session rather than a group orientation session.

In such cases, they shall earn their adjusted hourly rate for each hour they are required to attend. Adjusted hourly rates shall be determined by dividing their total compensation for the semester by their hours worked for the semester (according to the formula provided in Article 16.1).

15.7 Travel Compensation. Adjuncts shall continue to receive compensation for travel, in accordance with University travel policies, including but not limited to mileage and tolls.

15.8 Additional Work Assignments. Adjuncts shall receive compensation for additional work as follows:

- A. Independent Studies. An Adjunct shall earn the equivalent of one-sixth (1/6) of the regular per course amount that the Adjunct is paid for a full course at the appropriate step rate for a one (1)-unit course, per student, per semester or term.
- B. Educational Fieldwork Supervision. For both undergraduate and graduate students, Adjuncts shall earn \$800 per supervisee, per semester or term. Adjuncts must make four (4) supervision site visits per supervisee, per semester or term.

- G. MTEL Workshops. Adjuncts serving as MTEL Workshop Leaders shall earn \$150 per workshop hour.
- H. LA+D Portfolio Reviews. Adjuncts shall earn \$150 per admissions event.
- I. eLIS Online Course Stipend. Subject to the Adjunct's Supervisor's prior approval of the project and subsequent approval of the course revision or development,
- (1) Adjuncts shall earn \$3,100 for developing a new online course.

(2) For course revisions, Adjuncts shall earn between \$500 and \$1,500 as agreed between the Adjunct and the University. Adjuncts shall normally earn \$1,500 for course revisions requiring substantial changes to course content. The exact amount for each project shall be determined by mutual agreement between the Adjunct and the Adjunct's Supervisor. Adjuncts shall not be compensated for typical ongoing faculty revisions and updates to course syllabi; syllabus revisions that are substantial changes to course content shall not be considered "typical."

J. Curriculum Development Stipend (Not Online Courses). Subject to the Adjunct's Supervisor's prior approval of the project and subsequent approval of the course revision or development, Adjuncts shall receive the following compensation: For developing a new in-person course, making course revisions, working on a semester-long program redesign, or working on a major curriculum project, Adjuncts shall earn between \$500 and the amount that the Adjunct is paid for teaching a course at the appropriate Step rate for a three (3)-credit course. ARTICLE 16

HEALTH INSURANCE AND OTHER BENEFITS

16.1 Health and Dental Insurance. The University will offer health insurance and dental insurance to any Adjunct who (a) during the prior "Measurement Period" worked an average of 17.5 or more hours per week or (b) is a newly hired employee and is anticipated to work at least an average of 17.5 or more hours per week during the relevant coverage period.

The University's "Measurement Period" is December 1 through November 30. An Adjunct who worked an average of 17.5 hours or more per week during the Measurement Period, subject to calculations of breaks in service, is eligible to participate in the University's health insurance and dental insurance plans in the subsequent calendar year (the "coverage period") while the Adjunct remains an employee of the University. The calculation of hours worked is based on both instructional and non-instructional work. The University also extends health insurance and dental insurance to Adjuncts who taught seven or more Units during the Measurement Period.

The University's contribution percentage toward the health and dental insurance premiums is based on the Adjunct's average hours worked during the Measurement Period. The University's contribution percentages, the available health and dental insurance plans, and the employee coverage categories (e.g., employee only, employee plus dependent, and employee plus family), are set forth on the University's website and are subject to the relevant plan document.

The calculation of hours worked per week during the Measurement Period is as follows:

A. Standard Classroom and Studio Course Hours.

| Course Credit per Term | Schedule Weekly Class/Studio Hours | Non Class/Studio Hours | Additional Hours | Course Hours per Week | Course Hours per Term | Unit Equivalent |
|------------------------|------------------------------------|------------------------|------------------|-----------------------|-----------------------|---------------------|

| 4 | 4 | 5 | 1 | 10 | 150.00 | LAB 1.5 LEC 1.33 |
| 1.5 | 3 | 1.88 | 1 | 5.88 | 88.13 | 0.75 |
| 3 | 4 | 3.75 | 1 | 8.75 | 131.25 | STU 1.0 |
| 3 | 4.5 | 3.75 | 1 | 9.25 | 138.75 | STU 1.13 |
| 3 | 6 | 3.75 | 1 | 10.75 | 161.25 | STU 1.5 |

- (2) Independent studies: One-tenth of hours calculated for a standard course.
- (3) Capstone Course: Regardless of the number of credits awarded to students in a capstone course, Adjuncts are credited with 116.25 hours per term or semester. Capstone courses include the GSOE practicum, GSASS clinical supervision, and the MFA studio seminar course.

C. Non-Instructional Hours. Hours worked for assigned non-instructional work are calculated based on hours worked for assignments such as advising, curriculum development, supervision, and portfolio review, as determined by the University.

16.2 Additional Benefits. Adjuncts shall qualify for additional benefits depending on the nature of their employment (Step placement and possession of a Multi-Year Appointment).

A. The following additional benefits shall apply to all Adjuncts:

17.3 Eligibility. To be eligible for Professional Development funds, an Adjunct must have one (1) year of teaching experience at the University and teach a minimum of two (2) courses during the year in which the Adjunct applies for Professional Development funds. Each Adjunct may be approved to receive up to one thousand dollars (\$1,000) per fiscal year or two thousand dollars (\$2,000.00) in any two (2)-fiscal-year period. Awarded diversity grants shall not count toward an Adjunct's eligibility to receive discretionary grants, nor vice versa.

17.4 Application.

A. In order to receive funding, eligible Adjuncts shall submit a request stating the expenses for which they are requesting funding or reimbursement and how the opportunity or resource will enhance pedagogy at the University. For grants used to attend the University's Cultural Literacy Curriculum Institute or the Summer Academic Technology Institute (or its equivalent), confirmation of attendance may be submitted in lieu of an estimate of expenses. Requests for funds shall first be submitted to the Adjunct's Division Director or Department Chair through the Dynamic Forms online system.

C. If the Division Director or Department Chair supports the request, the Division Director or Department Chair shall forward the recommendation for approval through the Dynamic Forms online system.

D. One Union faculty representative will review the approved applications from the Division Directors or Department Chairs through the Dynamic Forms online system. The online system will then forward the application to the Provost's Office, with a copy to the relevant School or College Dean.

E. The Provost's Office shall decide whether to approve or reject the request for funds. Recommendations to the Provost shall not be unreasonably denied.

ARTICLE 18

These meetings shall not be used for negotiations or to discuss pending grievances. The committee members appointed by the Union shall include at least one (1) representative from each College or School of the University; if a College or School is not represented, the committee may continue its work while the Union searches for an appropriate representative. The University supports implementation of this process.

19.3 Meetings and Other Committees.

A. Adjuncts shall be notified and offered the opportunity to voluntarily participate in regular School-wide or College-wide meetings, and department or program meetings with which they are affiliated, except for those parts of the meeting(s) in which personnel matters are discussed.

22.1 During the term of this Agreement, neither the Union, its officers, agents, or representatives, nor any employee, will in any way, directly or indirectly, authorize, assist, cause, encourage, participate in, ratify, or condone any strike, including any sympathy strike (such as withholding services because of a labor dispute with another union).

22.2 In the event of a strike in violation of Section 22.1, the University may immediately pursue, in any court of competent jurisdiction, whatever remedies are available to it. Any Adjunct engaging in any activity in violation of Section 22.1 may be discharged.

22.3 During the term of this Agreement, the University shall not lock out Adjuncts.

22.4 In the event of a lockout in violation of Section 22.3, the Union may immediately pursue, in any court of competent jurisdiction, whatever remedies are available to it.
